## ***Acts 15:12-35***

1. Never Give Up \_\_\_\_\_ from God's Word (15:12-18).

2. Be willing to give up \_\_\_\_\_ out of a love for others (15:19-29).
  - a. We should not do culturally \_\_\_\_\_ things that would cause the lost to reject the gospel.

*Do I care more about my personal freedom or about reaching people for Christ?*

- b. Let us avoid causing other believers to \_\_\_\_\_.

*Do my actions encourage other believers toward Christ or pull them away?*

- c. Refuse to participate in sin, even if \_\_\_\_\_.

## Questions for the Week

1. Read Acts 15:7-11. Peter says salvation comes through “the grace of the Lord Jesus.” Why is salvation by grace alone so important to the gospel? Are there ways you sometimes try to earn God’s acceptance through your own efforts?
2. Read Acts 15:19-20. Believers are encouraged to avoid actions that would unnecessarily offend others. What freedoms or preferences might God be asking you to surrender out of love for someone else? Do you usually think more about your rights or about the spiritual good of others?
3. Read 1 Corinthians 9:19-23. Paul became “all things to all people” so that some might be saved. Are there attitudes, habits, or comforts that may be keeping you from effectively reaching others with the gospel? How can you better connect with people without compromising biblical truth?
4. Read Romans 14:13-19. Paul teaches believers not to cause another Christian to stumble. Have your actions ever negatively influenced another believer spiritually? How can you pursue peace and spiritual growth within the church?
5. Read Romans 12:1-2. God calls believers not to conform to the world. In what areas is culture pressuring you to compromise God’s standards? What would true obedience and transformation look like in those areas?
6. Read 2 Timothy 3:16-17. Scripture equips believers for every good work. How consistent are you in reading and applying God’s Word? What practical step can you take this week to grow deeper in biblical truth and spiritual discernment?
